

Important Billing Changes that Affect You

To serve you better, we are updating our systems and the look of your billing statement.

What's changing?

1. Your Invoice

- **You may receive two billing statements** during the first month of this change: one from the current system and one from the new system. Please *use the payment coupon from the bill with the most recent date* to pay your bill.
- **Future billing and payments will be monthly only**, even if you haven't been billed on a monthly basis before.
- If you pay by EFT/bank draft, please see the Automatic Payments section below.
- Your payments can be made by recurring EFT, bank draft, check/money order, debit card, or cash at a MoneyGram® location near you.

2. Automatic Payments (Electronic Funds Transfer (EFT)/Bank Drafts)

- **You will not receive *paper* billing statements in the future.** We will need your email address on file to provide you with details about your payments. If we don't have your email address we will contact you, or you can call a Customer Advocate at the number on your member ID card.
- **Payments will be drafted on the first business day of each month.**
- **Note:** If you are currently enrolled in recurring EFT payments that do not occur on the 1st of the month, ***your automatic deductions will stop.*** Please reauthorize your recurring EFT payments after you get your first billing statement with the new look by doing the following:

Go to Blue Access for MembersSM at bcbstx.com/member to authorize your future payments and get more information.

3. Online System Availability

- **Please continue to make your payments by the due date on your invoice.** Please be aware that due to the system update in early August we may not be able to accept payments.
- You may not be able to access some information or make requests during the system update.
- Please be patient. We will do our best to make these changes as quickly as possible.

4. Making Changes to Your Account

- **When you make certain changes, like adding a dependent**, after the first business day of the month, you may receive an updated billing statement to reflect the change.

Note: If you purchased your Blue Cross and Blue Shield of Texas (BCBSTX) plan through the Health Insurance Marketplace, you will need to update your Marketplace account with these changes.

- **If you have more than one BCBSTX plan**, you may start to receive two billing statements each month.

For example, if you have one plan directly through BCBSTX and another plan through the Health Insurance Marketplace, you will receive a billing statement for each plan.

How to read your new billing statement:

BlueCross BlueShield of Texas
