

BlueCross BlueShield of Illinois

<Date>

Dear <First name> <Last name>,

Important: Your SHOP health insurance coverage is being discontinued. This notice includes information about next steps you can take to stay covered with a health insurance plan.

This letter includes important information about your health insurance plan from Blue Cross and Blue Shield of Illinois (BCBSIL) through the Federally facilitated Small Business Health Options Program (FF-SHOP). BCBSIL will no longer offer health insurance plans on the FF-SHOP in 2018, and beginning on <renewal date> you will no longer have health insurance coverage through BCBSIL, unless your employer selects a new BCBSIL plan. We are also notifying your employer about the discontinuation of your current plan.

Because your coverage is being discontinued, any other members of your household who are enrolled in this coverage will also no longer have health insurance coverage through your current BCBSIL plan on <renewal date>.

What happens when coverage ends?

It is important you get coverage from another source. If you do not obtain other health insurance coverage, you will be fully responsible for covering the cost of any medical services you receive after the date your coverage ends.

What are my options for health insurance coverage?

Your employer may offer an alternative health insurance plan beginning in 2018 and you should contact them for more information. To learn more about your options for SHOP coverage, go to HealthCare.gov or call the SHOP Call Center at 800-706-7893 (TTY: 711), Monday - Friday, 9:00 a.m. – 7:00 p.m. ET.

If your employer is either not offering health insurance coverage or is not required to offer coverage, you have additional options for health insurance coverage at HealthCare.gov. Because your coverage is being discontinued you may qualify for a special enrollment period. To learn more about your Individual Marketplace options, call 800-318-2596 (TTY: 855-889-4325), available 24 hours a day, seven days a week.

When will I be able to enroll in another health insurance plan?

Depending on whether your employer is offering health insurance coverage in 2018, you might be able to enroll in another health insurance plan through your employer during their annual employee open enrollment period. Because your coverage is being discontinued you may also be eligible to enroll in another health insurance plan immediately through the Individual Marketplace, or from the health care insurance market outside the Marketplace through your special enrollment period.

What if I have more questions?

If you have questions about this notice, please contact your employer or call the Customer Service phone number on the back of your BCBSIL member identification card.

Sincerely,

Blue Cross and Blue Shield of Illinois
