

Special Enrollment Period Qualifying Events & Required Documentation for Off Exchange Policies

Blue Cross and Blue Shield of Texas (BCBSTX) requires documentary verification from consumers applying for off-exchange Qualified Health Plans (QHPs) in the under 65 retail market due to a life event that qualifies them for a Special Enrollment Period (SEP). The documentation can be submitted online via the Retail Shopping Cart or with a paper application via mail, fax or the Retail Producer Portal.

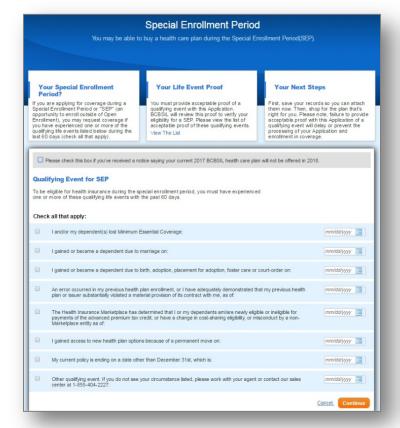

The tables on the following pages list the types of documents your clients must provide when applying for coverage under a special enrollment life event. (Note that most documents must include proof that the triggering event occurred and the date the event occurred.) These are organized by the numbered SEP categories listed on the first page of the off-exchange paper enrollment application.

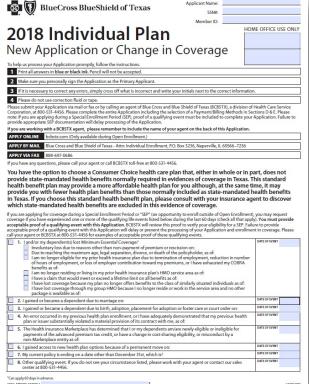

DATE OF EVENT Note

If your client lost Minimum Essential Coverage, the date of the event is the last day of coverage. In other situations, such as a birth of a child or marriage, it is the date the event took place. The event date entered must correspond to the client's SEP validation documents.

On-Exchange Special Enrollment

The Marketplace manages special enrollment for on-exchange policies. Consumers can shop and choose an on-exchange plan via the BCBSTX Retail Shopping Cart. Once an on-exchange plan has been selected, the user will be transferred to healthcare.gov to complete enrollment.

Special Enrollment Period Tips

- To be eligible to enroll or make changes during an SEP, individuals must have had a qualifying life event.
- The special enrollment life events listed below correspond with the SEP life events listed on the off-exchange enrollment application.
- When consumers sign up for or change their insurance plan under an SEP, coverage may not start right away. The coverage effective date is driven by a combination of the qualifying reason, application submission date and the date of the qualifying event.
- The following information pertains to BCBSTX Non-Marketplace (Off Exchange) policies for plan year 2018.
- A qualifying event or SEP can occur at any point during the year.
- All qualifying events open up the opportunity for anyone in the tax family to purchase a plan regardless of whether or not they are currently insured. A "tax family" is defined as an IRS-approved dependent(s) filed on taxes.

1. Lost Health Insurance

I and/or my dependent(s) lost Minimum Essential Coverage (MEC). (There are seven subcategories. These are listed in the following pages as 1A through 1G.)

Enrollment period: Within 60 days BEFORE OR AFTER the qualifying event

1A Involuntary loss due to reasons other than non-payment of premium or rescission

Reasons Include	Accepted Documents	Effective Date
INVOLUNTARY LOSS OF COVERAGE	 Letter from prior insurer or employer with coverage termination date on company letterhead Discontinuation notice COBRA notice State continuation notice 	If the application and documentation are submitted on or before the day MEC was lost, the effective date is the first day of the month following the last day of coverage. If the application and documentation are submitted after the loss of MEC, the effective date is the first of the month following the submission date.

NOTES

- Canceling or not paying a dependent's coverage does not give any other family member(s) eligibility to a special enrollment; it is not a qualifying life event.
- Short-term limited duration policies (also known as temp policies) do not qualify as MEC. Therefore, the loss of short-term coverage, whether the policy is canceled or ends, is not a qualifying life event and does not make the consumer eligible for special enrollment.
